2016 SILVERLINE AND STARCRAFT

FREEDOM COMES EASY
IN A JAYCO CARAVAN

Whether you plan to explore Australia a month at a time, getaway to your favourite holiday spot on a regular basis, or set off on a lap with no fixed return date, your Jayco Caravan will make you feel right at home every moment you're away.

You'll love the comfort, style and space, the long list of included features, and the freedom to choose from a variety of floor plans personalised to your taste, through the fabrics, finishes and accessories of your choice.

The practicality of your Jayco will also impress. You'll find everything works simply and intuitively, every surface cleans effortlessly, and every must-have and nice-to-have fits easily in the smart storage solutions that keep your belongings secure yet always at the ready.

And don't forget the other advantages of Jayco ownership – whether you opt for the flagship SILVERLINE series, or the ever-affordable STARCRAFT range, you can look forward to:

- **nationwide support** from Australia's **largest dealer and service network**, comprising more than 100 locations around the country;
- **24-hour roadside assist*** for three years, ensuring you're only ever a phone call from the support you need; and a
- **comprehensive 12-month warranty** regarded as the industry benchmark.

Add up all the benefits, on this page and those that follow, and you'll start to see why Jayco RVs are rated number one for value; and why, just as importantly, they'll hold value better than any other brand should you ever decide to upgrade.

SILVERLINE TURNS EVERY TRIP INTO A LUXURY HOLIDAY

1 Catch your favourite shows on the 21" 12-volt LED TV with DVD player. **2** The Fusion CD/Radio stereo system has indoor and outdoor speakers. **3** Monitor water and battery levels with the Drifter LED control panel. **4** Three-tier pull out pantry for all those essential ingredients.* **5** 'Soft close' kitchen drawers operate at the touch of a finger. **6** Innerspring mattress with a pillow-top for maximum comfort. **7** Two-door fridge/freezer (3 way) with a massive 174-litre capacity. **8** Light up your day with the 700mmx500mm roof hatch. **9** Keep your cool throughout summer with the roof-mounted air conditioner. **10** Four-burner cooktop (three gas, one electric) with flame failure protection and oven. **11** Large stainless steel sink.

*selected models only

You'll sense there's something special about the top-of-the-line Jayco Silverline from the instant you lay eyes on its sleek exterior. But only when you step inside is the beauty of this luxurious Caravan revealed in full.

The sophisticated style, meticulously crafted joinery and upholstery, comprehensive selection of quality appointments and appliances are remarkable. Nothing has been overlooked. Whether reading, sleeping, cooking or just kicking back in that extra large living area, your every moment will be spent relaxed in air-conditioned, five-star comfort.

The kitchen, for example, boasts generous workspace, and a full range of high-end appliances; the bathroom includes a new style vanity and square shower recess, plus a 3kg washing machine, while the living room complements a full range of entertainment equipment with super comfortable, deep cushion seating. All of it realised in your choice of sophisticated colour schemes with 14 trim options.

This new leader of the Jayco touring fleet is equally thorough when it comes to your on-road comfort and safety, with JTECH Suspension now joining Electronic Stability Control as a standard feature.

Silverline also offers you the luxury of choice. There are six spacious floor plans to select from – including five with slide outs – all of which are available as Outback versions should you wish to explore a little deeper into the countryside.

⬅ ELECTRIC SLIDE-OUT BEDROOM

THE STYLISH SILVERLINE
OFFERS ALL THE COMFORTS
OF HOME, AND THEN SOME

Complete in every way, the spacious, multi-zoned Silverline surrounds you with the modern conveniences you expect in a luxury home, plus all your favourite creature comforts and holiday essentials.

1 12-volt boosted TV aerial to optimise reception quality. **2** The rollout awning features integrated LED strip lighting. **3** Gas bottles are accessed externally via a convenient slide out tray. **4** Exterior badging is finished in distinctive raised chrome. **5** Triple-lock door with a separate security screen for maximum protection. **6** 150 watt solar system with regulator gives you power to spare. **7** The inbuilt washing machine boasts a 3kg load capacity. **8** Spacious, modern look en suite shower with an exhaust fan.

WHERE MOMENTS BECOME MEMORIES

...

that's where a Jayco
will take you

THE AFFORDABLE STARCRAFT DELIVERS FREEDOM WITHOUT COMPROMISE

Offering prestige features without the premium price tag, the Jayco Starcraft has become the RV of choice for first-time Caravan buyers of all ages.

Regarded by many as the best value-for-money package on the market, its Jayco pedigree is obvious. You'll recognise it in the streamlined exterior; in the countless practical touches, inside and out; in the Eurostyle furnishings and quality appliances; and in the availability of Outback versions for each of Starcraft's eight floor plans, allowing you to reach those harder to get to destinations.

It's little wonder people considering a pre-loved Caravan are instead opting for a new Starcraft, and benefiting fully from Jayco's 12-month warranty and other exclusive support services.

Optional TL package shown. Starcraft TL comes equipped with Jayco's Tough frame and Leatherette

THE STARCRAFT INTERIOR
WILL SURPRISE AND DELIGHT

The Starcraft's stylish interior is incredibly space efficient; its zoned living creating ample room for dining, meal preparation, watching TV, listening to music or stretching out with your favourite page-turner.

Making use of every square centimetre, the Starcraft complements that versatility with plenty of storage, a full selection of top quality kitchen appliances, and an en suite bathroom complete with a full-sized, square shower recess. With generously bolstered seating and innerspring bedding, the Starcraft also ensures your comfort – day and night.

OPTIONAL TL EDITION SHOWN FEATURING LEATHERETTE

1 Kitchen drawers operate at the touch of a finger. **2** Eurostyle push out double-glazed windows with inbuilt roller blinds. **3** Light up your day with the 400mmx400mm roof hatch. **4** The modern look vanity features a large basin and generous storage. **5** Spacious, modern look ensuite shower with exhaust fan. **6** Fridge/freezer with a sizeable 174-litre capacity. **7** Catch your favourite shows on the 19.5" 12-volt LED TV with DVD player. **8** The comfortable orthopaedic beds lift up to create additional easy access storage. **9** Eurostyle furniture combines comfort, style and hard-wearing practicality. **10** Four-burner cooktop (three gas, one electric) with flame failure protection and oven. **11** The Fusion CD/Radio stereo system has indoor and outdoor speakers. **12** Quiet and efficient twin fan 12-volt range hood with LED lighting.

BUILT IN AUSTRALIA SINCE 1975
AND STILL GOING STRONG

Jayco RVs have been helping Australians live their holiday dreams for over 40 years. We began in 1975, in the garage of a suburban home; our ambition, to build a better Camper Trailer. Today, Jayco is the most popular brand on the market. We’ve built, sold and supported more than 180,000 RVs to date, and now operate a 20-hectare manufacturing facility in Melbourne that employs a local workforce of 1,000+ people.

From that first Camper, Jayco has made high-quality products that offer outstanding value for money and lasting peace of mind. It’s an advantage we deliver more than ever now through increased manufacturing efficiencies; proprietary technology, such as **JTECH SUSPENSION**, the **JAYCO TOUGH FRAME** and **JAYCO ENDURANCE CHASSIS**; and a commitment to using better materials, more precise craftsmanship, and ever-smarter design ideas and construction methods, for example:

- Our Eurostyle aluminium framed furniture features **protective curved extrusions** for strength and elegance, positive cupboard catches to secure your valuables in transit, and cabinet fronts that are screwed into place, not stapled
- Cushions are made from **high-resilience** foam, for years of comfort and support, and upholstery is treated with **antimicrobial protection** to inhibit mould, mildew and fungi, as well as dust mite protection to help prevent asthma and allergy-related conditions
- Tyres are **inflated with nitrogen** – not everyday air – reducing fuel usage, tyre wear and the risk of blowouts, while also improving ride and handling
- Silverline models feature Jayco’s new **interlocking roof system** with extruded corners, which increases structural strength and stability, offers better insulation, provides superior wet weather performance and creates a cleaner, more streamlined appearance.

THE JAYCO TOUGH FRAME Jayco’s multilayered, vacuum-bonded walls are both stronger than those of conventional ‘timber & tin’ aluminium clad caravans, and offer greater thermal and acoustic insulation.

Starcraft models feature our quad-layer system, comprising internal wall ply and insulation, aluminium frame, external 3mm ply and external aluminium cladding, while the range-topping Silverline models all boast the five-layer Jayco Tough Frame, as illustrated below.

1. **HAIL AND DENT RESISTANT, AERODYNAMIC FIBREGLASS EXTERIOR** with a high gloss finish
2. **EXTERNAL 3MM PLYWOOD BOARD** to increase structural strength
3. **ALUMINIUM FRAME** – not timber – for extra strength and longevity, plus galvanised plating for secure fitment of internal furniture
4. **INTERNAL HIGH-DENSITY POLYSTYRENE FOAM** for superior insulation
5. **INTERNAL 3MM PLYWOOD BOARD** CE coated for maximum durability

INTERLOCKING ROOF SYSTEM ↑

JAYCO PRESSED STEEL C-SECTION (PSC)
PSC floor members are lighter than conventional box section steel, 300% stronger and resist bending by 175%.

← **JAYCO ENDURANCE CHASSIS**
A Caravan is only as strong as the base on which it’s built, so we build our Endurance Chassis to last like no other. Lightweight yet super strong, it’s hot dip galvanised for lifelong protection against corrosion, and features PSC member floor support, which better resist bending and compression, while also safeguarding under floor wiring and plumbing.

JAYCO OUTBACK

Some of Australia’s must-see destinations – the places you really want to explore – lie well beyond the bitumen. To help you see them, with all the comforts of home, each Jayco Silverline and Starcraft Caravan is also available in an Outback version, complete with a higher ground clearance, and a range of high-strength componentry and specialised features, including:

- JTECH Independent Suspension
- 120W solar panel and regulator (150W on Silverline)
- 150mm x 50mm rectangular hollow section chassis members
- 125mm x 50mm rectangular hollow section A-frame
- Rectangular hollow section galvanised bumper bar (Starcraft only)
- AL-KO off-road electric brake magnets
- AL-KO outback drop jacks
- Protective aluminium checker plate on sides
- 16-inch alloy wheels with 245/70R16 tyres (Silverline only)
- 15-inch alloy wheels with 235/75R15 tyres (Starcraft only)
- Foldaway single step
- External 12V auxiliary plug
- External gas bayonet (Starcraft only, standard Silverline)
- Jayco mud flaps
- External shower (Silverline only)
- A-frame tray (Silverline only)
- Stoneguard protection (optional on Starcraft Caravans with extended A-frame)

Opting for a Jayco Outback version is not a licence to bush bash, mind you. But its extra strength and enhanced specifications will free you to travel the country’s unsealed roads safely and arrive relaxed. Even so, always take extra care and reduce your speed, especially when driving in unfamiliar territory. If in doubt, do what the 4WD experts do—use your Jayco as a base camp and head into rougher terrain without anything in tow.

JTECH SUSPENSION

Purpose designed to complement the Jayco Endurance Chassis, JTECH Suspension replaces beam axles with individual stub axles, allowing each wheel to react independently to the road surface, while also lessening the chassis’ unsprung weight. Delivering **greater stability**, a **smoother ride**, more **precise handling** and **increased ground clearance without increased ride height**, it makes towing easier and safer than ever before.

Precision manufactured using automotive processes to ensure exact fitment, JTECH Suspension is the product of two years’ research and development at Jayco’s Melbourne headquarters, and countless kilometres of real world testing across the best and worst of Australian second class roads. Its features include:

- **ELECTROCOATED** surfaces for optimum protection against corrosion and stone chips
- **AL-KO STUB AXLES**, bearings and brakes that are suitable for fitment of AL-KO Electronic Stability Control
- Large diameter, heavy-duty **PEDDERS OFF-ROAD SHOCK ABSORBERS AND COIL SPRINGS** designed specifically for Jayco RVs and Australian conditions
- **AEON RUBBER SPRINGS** inside each coil spring, producing a progressing rate when the suspension is compressed; and
- **TOE-IN AND TOE-OUT** adjustment for wheel alignment

AL-KO ELECTRONIC STABILITY CONTROL
A. Critical swerve or sway is detected.
B. Electronic Stability Control partially applies the RV brakes. The caravan is pulled into line behind the tow vehicle. The sway is stopped and the caravan brakes are released.

tow ball (kg)	255	235
travel length (mm)	9035	9035
travel height (mm)	3000	3055

The tow ball and tare weights are only a guide and will change depending on accessories that are fitted to your van. It is advisable to discuss this with your Jayco Representative.

Jayco allow an amount of additional weight (Carrying Load) for each individual unit manufactured above the initial manufactured Tare Weight of the unit. This 'Carrying Load' is for the customers individual weight requirements and can be made up of 'any' additional weight they propose to load the unit up of. ie water, food, clothes etc.

The standard unit carrying loads Jayco apply are;
Single Axle, internal shower units 375kg
Tandem Axle, internal shower units 475kg

CHOOSE JAYCO AND YOU’LL NEVER LOOK BACK

The freedom you experience when purchasing a Jayco extends beyond being able to travel where you want, when you want, for however long you want. There’s also freedom from worry.

It comes from realising you’ve chosen the best value RV brand that money can buy, and that it will hold value better, for longer. It’s also the peace of mind of knowing Jayco will always be there for you – through

our comprehensive warranty, complimentary roadside assist service, or the convenience of Australia’s largest RV dealer network.

Freedom from doubt, from second-guessing, from ‘what if’ – it’s the feeling only an Australian-made Jayco can provide, and it’s why our RVs are the first and only choice for so many.

NATIONWIDE SUPPORT

100+ SERVICE AND DEALER LOCATIONS

With more than 100 approved service centres nationwide, the Jayco support network is easily the best and most comprehensive in Australia. No matter where the road takes you, the expertise or spare parts you need are never far away.

ROADSIDE ASSIST

3 YEARS 24 HOURS 365 DAYS

Every new Jayco RV comes with one feature that no other RV manufacturer can match— complimentary 24-hour Roadside Assist for three full years. No matter where you travel in Australia, as a Jayco owner, you’re only ever a phone call away from the help you need in the event of an on road emergency.

WARRANTY PROGRAM

12 MONTHS

The Jayco 12-month warranty is our promise that the RV you purchase will be 100% free from poor workmanship and material defects. Regarded as the industry benchmark, it lets you relax on your travels, safe in the knowledge that Australia’s largest RV dealer and service network has you covered.

BETTER VALUE

MORE FEATURES FOR LESS

Every model Jayco comes equipped with standard features that other brands offer only as options. Buying power is the key—nearly one in two RVs on Australian roads carries our name. We’re also the nation’s most efficient RV manufacturer. By passing on the benefits of these production advantages, we ensure Jayco remains Australia’s best value for money RV.

HIGHER RESALE VALUE

A SMARTER INVESTMENT IN THE LONG RUN

As you travel life’s journey your needs may change. Your growing family may outgrow your current RV. Or you may retire and want to upgrade before embarking on the big trip you’ve always dreamed about. Whatever your reason for selling, you’ll find a Jayco holds its value better than any other brand.

JAYCO OPTIONS

ADD THAT PERSONAL TOUCH It's through individual touches that the Jayco you choose becomes your own truly personal, home away from home. That's why we complement our range of feature-packed Silverline and Starcraft floor plans, with a selection of high quality optional extras – all of them designed to integrate seamlessly with your Jayco, operate effortlessly, and look fabulous.

Should you need additional sleeping space from time to time, consider a bed converter, or an add-on room. If you like to entertain, an external slideout BBQ could be the go. While a bike rack is a must for those who like to explore destinations on two wheels.

- 01 150W solar system with regulator takes advantage of the solar provision included as standard on Starcraft touring models.
- 02 Carry two full-sized bicycles with these lockable, easy load bike racks.
- 03 With a slide out BBQ you can entertain while you cook (select models only).
- 04 Optional on all Starcraft models, monitor water and battery levels with the Drifter LED control panel.
- 05 An external shower helps keep dirt and sand outside, where it belongs.
- 06 Optional on all Starcraft models, the Sphere washing machine boasts a 3kg load capacity.
- 07 With this high-gain Satellite Dish your favourite free-to-air TV shows can go wherever you do.
- 08 Optional on all Starcraft models, this handy foldout table unclips in an instant to provide the extra table space you need.
- 09 With Ezylevel take the guesswork out levelling and get it right the first time.

TRIMS

FREEDOM OF CHOICE The freedom you'll enjoy with your Jayco begins before you even place your order. We offer a wide range of great looking, hard-wearing, easy-to-clean finishes, fabrics and soft furnishings in both contemporary and classic styles, for you to choose and coordinate as you wish.

PROUDLY SUPPORTING THE PURSUIT OF GOOD HEALTH Across four decades, Jayco has passionately supported community health initiatives, charities, sports and sporting teams. Our commitment to contribute to those in need, promote the benefits of an active lifestyle, and assist sports people achieve their potential – be it at elite level or grass roots – remains undiminished. Below are just a few ways we're helping make a difference today. For more, visit jayco.com.au.

WOMEN'S NATIONAL BASKETBALL Long time supporters of women's basketball, Jayco is now naming rights sponsor for the Opals, the Emerging Opals, the Under-19 Gems and Under-17 girls' national teams.

STATE OF THE ART COMPLEX

Built in Australia since 1975 - and still going strong. In 2007, Jayco moved into its current 50-acre state of the art complex at 1 Jayco Drive, Dandenong South, Victoria, with a purpose-built 60,000sqm undercover manufacturing complex. This is where all Jayco RVs are made.

Australia's most recognised brand for quality and affordable recreational vehicles, Jayco is a great success story of Australian manufacturing.

Employing over 1,000 Australians, Jayco continues as a locally owned family business.

TO BE THE BEST, you need to work with the best
